25 **JURISDICTION**

26 4. This Accusation is brought before the Contractors' State License Board,  
27 Department of Consumer Affairs, State of California, under the authority of the following laws.  
28 All section references are to the Business and Professions Code (Code).

1           5.       Section 7076.5, subdivision (h) provides that the inactive status of a license shall  
2 not bar any disciplinary action by the board against a licensee for any of the causes stated in this  
3 chapter.

4           6.       Section 7090 provides, in pertinent part, that the Registrar may suspend or revoke  
5 any license if the licensee is guilty of or commits any one or more of the acts or omissions  
6 constituting cause for disciplinary action.

7           7.       Section 7095 states, in pertinent part, that the Registrar in making his order may:

8               (a)     Provide for the immediate complete suspension by the licensee of  
9 all operations as a contractor during the period fixed by the decision;

10              (b)     Permit the licensee to complete any or all contracts shown by  
11 competent evidence taken at the hearing to be then uncompleted; and

12              (c)     Impose upon the licensee compliance with such specific conditions  
13 as may be just in connection with his operations as a contractor disclosed at the  
14 hearing, and may further provide that until such conditions are complied with, no  
15 application for restoration of the suspended or revoked license shall be accepted  
16 by the Registrar.

17           8.       Section 7096 states:

18               For the purposes of this chapter, the term "licensee" shall include an  
19 individual, partnership, corporation, limited liability company, joint venture, or  
20 any combination or organization licensed under this chapter, and shall also  
21 include any named responsible managing officer, responsible managing manager,  
22 responsible managing member, or personnel of that licensee whose appearance  
23 has qualified the licensee under the provisions of Section 7068.

24           9.       Section 7097 states:

25               Notwithstanding the provisions of Sections 7121 and 7122, when any  
26 license has been suspended by a decision of the registrar pursuant to an accusation  
27 or pursuant to subdivision (b) of Section 7071.17, Section 7085.6 or 7090.1, any  
28 additional license issued under this chapter [the Contractors' State License Law]  
in the name of the licensee or for which the licensee furnished qualifying  
experience and appearance under the provisions of Section 7068, may be  
suspended by the registrar without further notice.

          10.       Section 7098 states:

              Notwithstanding the provisions of Sections 7121 and 7122, when any  
license has been revoked under the provisions of this chapter [the Contractors'  
State License Law], any additional license issued under this chapter in the name  
of the licensee or for which the licensee furnished qualifying experience and

1 appearance under the provisions of Section 7068, may be revoked by the registrar  
2 without further notice.

3 11. Section 7106.5 provides that the expiration, cancellation, forfeiture, or suspension  
4 of a license by operation of law or by order or decision of the Registrar or a court of law, or the  
5 voluntary surrender of a license by a licensee shall not deprive the Registrar of jurisdiction to  
6 proceed with any investigation of, or action, or disciplinary proceeding against the license, or to  
7 render a decision suspending or revoking the license. Under Code section 7141, a license may be  
8 renewed at any time within five years after its expiration.

9 12. Code section 7121 states:

10 Any person who has been denied a license for a reason other than failure  
11 to document sufficient satisfactory experience for a supplemental classification  
12 for an existing license, or who has had his or her license revoked, or whose  
13 license is under suspension, or who has failed to renew his or her license while it  
14 was under suspension, or who has been a member, officer, director, or associate  
15 of any partnership, corporation, firm, or association whose application for a  
16 license has been denied for a reason other than failure to document sufficient  
17 satisfactory experience for a supplemental classification for an existing license, or  
18 whose license has been revoked, or whose license is under suspension, or who has  
19 failed to renew a license while it was under suspension, and while acting as a  
20 member, officer, director, or associate had knowledge of or participated in any of  
21 the prohibited acts for which the license was denied, suspended, or revoked, shall  
22 be prohibited from serving as an officer, director, associate, partner, or qualifying  
23 individual of a licensee, and the employment, election, or association of this type  
24 of person by a licensee in any capacity other than as a nonsupervising bona fide  
25 employee shall constitute grounds for disciplinary action.

26 13. Code section 7121.5 states:

27 Any person who was the qualifying individual on a revoked license, or of  
28 a license under suspension, or of a license that was not renewed while it was  
under suspension, shall be prohibited from serving as an officer, director,  
associate, partner, or qualifying individual of a licensee, whether or not the  
individual had knowledge of or participated in the prohibited acts or omissions for  
which the license was revoked, or suspended, and the employment, election, or  
association of such person by a licensee shall constitute grounds for disciplinary  
action.

14. Code section 7122.5 states:

The performance by any individual, partnership, corporation, firm, or  
association of any act or omission constituting a cause for disciplinary action,

1 likewise constitutes a cause for disciplinary action against any licensee who at the  
2 time such act or omission occurred was the responsible managing employee,  
3 qualifying partner, responsible managing officer, or qualifying member of such  
4 individual, partnership, corporation, firm, or association, whether or not he had  
5 knowledge of or participated in the prohibited act or omission.

state, or of any political subdivision thereof, or of Section 8550 or 8556 of this

1 code, or of Sections 1689.5 to 1689.15, inclusive, of the Civil Code, or of the  
2 safety laws or labor laws or compensation insurance laws or Unemployment  
3 Insurance Code of the state, or of the Subletting and Subcontracting Fair Practices

water wells, or Article 2 (commencing with Section 4216) of Chapter 3.1 of  
Division 5 of Title 1 of the Government Code, constitutes a cause for disciplinary  
action.

7 19. Code section 7113 states:

8 Failure in a material respect on the part of a licensee to complete any  
9 construction project or operation for the price stated in the contract for such  
10 construction project or operation or in any modification of such contract  
constitutes a cause for disciplinary action.

11 20. Code section 7116 states:

12 The doing of any wilful or fraudulent act by the licensee as a contractor in  
13 consequence of which another is substantially injured constitutes a cause for  
disciplinary action.

14 21. Code section 7118 states:

15 Entering into a contract with a contractor while such contractor is not  
16 licensed as provided in this chapter constitutes a cause for disciplinary action.

17 22. Code section 7119 states:

18 Wilful failure or refusal without legal excuse on the part of a licensee as a  
19 contractor to prosecute a construction project or operation with reasonable  
20 diligence causing material injury to another constitutes a cause for disciplinary

21 23. Code section 7120 states:

22 Wilful or deliberate failure by any licensee or agent or officer thereof, to  
23 pay any moneys, when due for any materials or services rendered in connection  
24 with his operations as a contractor, when he has the capacity to pay or when he  
25 has received sufficient funds therefor as payment for the particular construction  
26 work, project, or operation for which the services or materials were rendered or  
27 purchased constitutes a cause for disciplinary action, as does the false denial of  
any such amount due or the validity of the claim thereof with intent to secure for  
himself, his employer, or other person, any discount upon such indebtedness or  
with intent to hinder, delay, or defraud the person to whom such indebtedness is

3     improvement contracts while such person is not registered by the registrar as a  
4     home improvement salesman as provided in this article, is subject to disciplinary  
5     action by the registrar.

6           25.     Code section 7164 states:

### 19   **RESTITUTION**

20           27.     Government Code section 11519, subdivision (d), provides, in pertinent part, that

### 23   **JG PROJECT**

24           28.     In April 2009, Jacob Gregory Fletcher (Jacob), an unregistered home  
25     improvement salesperson representing GJ Fletcher Construction, Inc., contacted JG, an 85-year  
26     old double leg amputee, to obtain projects for Respondent. On April 7, 2009, Jacob proposed a  
27     contract with cost estimate to JG and PR (homeowners) for new construction of their factory  
28     built modular home at 1616 Hackamore Road, Occanside, California for \$347,305.60 (JG  
Project). The proposal was not accepted. On April 25, 2009, Jacob entered into a contract with  
JG for construction setup, installation of underground utilities, water storage tanks, fire hydrants,  
and garage doors, construction of the garage, and all engineering works, permits, and fees, at the

1 revised cost of \$386,386.16 (JG Project). On May 15, 2009, Respondent started work on the JG  
2 Project before obtaining a building permit. On June 1, 2009, JG secured a construction loan from  
3 a bank. In June 2009, Respondent received \$56,000.00. On October 21, 2009, JG received a  
4 Notice and Order of Public Nuisance due to Respondent's failure to provide measures to prevent  
5 soil from leaving the project site. On January 7, 2010, the city issued the construction permit. On  
6 January 27, 2010, Jacob sent an e-mail to JG giving notice of additional charges for digging out  
7 the soil and re-digging the footings. On May 26, 2010, Respondent demanded an additional  
8 \$14,055.00 for items that had been included in the original contract, a charge for plumbing and  
9 electrical work, and for soil digging, re-digging, and leveling. On June 1, 2010, the lending bank  
10 gave JG a Notice of Default because the home was not complete and a final inspection had not  
11 been performed by the City of Oceanside. JG was forced to pay a penalty fee of \$5,000.00 to the  
12 lending bank. Respondent hired unlicensed subcontractors for electrical and plumbing work. On  
13 June 28, 2010, JG secured a certificate of occupancy but the home was still incomplete and  
14 required items to be corrected. Work ceased that day. In August 2010, Respondent demanded a  
15 payment of \$43,955.79 and threatened to lien the home. On August 25, 2010, JG paid under  
16 protest. Respondent had by then received a total of \$377,118.44 towards the fulfillment of the  
17 contract. On March 25, 2012, JG filed a complaint with the Board. On July 10, 2012, September  
18 20, 2012, and October 31, 2012, the Board attempted to contact Respondent but its phone  
19 number of record was disconnected. On September 21, 2012, the Board sent mail to Respondent  
20 at its address of record but the mail was returned due to a closed post office box. On October 31,  
21 2012, the Board was able to contact Jacob and obtain Respondent's new address and telephone  
22 number. An industry expert inspected the JG Project and calculated the cost to correct the work  
23 to be \$18,556.25.

24 **FIRST CAUSE FOR DISCIPLINE**

25 **(Failure to File Change of Address)**

26 29. Respondent has subjected its contractor's license to disciplinary action under

14 expend \$9,288.53 over and above the contract price due to substandard and incomplete work on  
15 the project.

16                                  **SIXTH CAUSE FOR DISCIPLINE**

18           34.     Respondent has subjected its contractor’s license to disciplinary action under  
19 Code section 7116 in that it charged \$14,055.00 for the correction required caused by its failure  
20 to prevent soil from leaving the project site and for ramp work that was already included in the  
21 primary contract, which constitute willful and fraudulent acts, as a consequence of which the  
22 homeowner was substantially injured.

18 **TA PROJECT**

19 39. On or about January 1, 2011, Jacob Gregory Fletcher (Jacob), an unregistered  
20 home improvement salesperson representing GJ Fletcher Construction, Inc., contacted AT  
21 (homeowner), to obtain projects for Respondent. In an undated and unsigned contract, Jacob  
22 proposed to rebuild AT's home at 9802 Descanso Trail in Descanso, California for \$105,000.00  
23 (TA Project). The contract did not include the name, address, and license number of Respondent.  
24 The contract also did not include the approximate dates that work will begin and be substantially  
25 completed. On January 6, 2011, Respondent received \$38,790.98 for the delivery and set-up of a  
26 factory built manufactured home with plans. On August 1, 2011, Respondent showed TA a letter  
27 from its manufactured homes supplier stating that 50% deposit would be required to start  
28 building the home. TA would not provide additional money due to his lender's requirements.

1 After Respondent received the money, it did not deliver materials or product. On June 1, 2012,  
2 TA's counsel notified Respondent of its termination from the TA Project and demanded a refund  
3 of the deposit. Respondent was able to account for \$13,532.00 paid towards the job but failed to  
4 account for the remaining \$25,258.98. On March 3, 2013, TA filed a complaint with the Board

**C & C PROJECT**

1  
2           44.     On November 9, 2010, Jacob Gregory Fletcher (Jacob), an unregistered home  
3 improvement salesperson representing GJ Fletcher Construction, Inc., contacted C & C, to obtain  
4 projects for Respondent. On November 10, 2010, Jacob proposed a contract with cost estimate to  
5 C & C (homeowners) for the purchase of parts and construction of a factory built modular home  
6 at 396 Hill Court, Fallbrook, California for \$269,961.20 (C & C Project). On December 2, 2010,  
7 Jacob received a deposit of \$10,000.00 for the purchase of a factory built modular home. On  
8 April 12, 2011, C & C accepted and signed the contract. On April 13, 2011, Jacob signed the  
9 contract for Respondent, which included construction setup, installation of underground utilities,  
10 masonry, water storage tanks, fire hydrants, and garage doors, construction of the garage, all  
11 engineering works, permits and fees, and specified extras. On June 1, 2011, work began on the C  
12 & C Project. On June 21, 2011, Respondent received \$39,200.00. On July 14, 2011, Jacob

14 \$5,100.00 for re-grading and re-compacting the dirt, which were not included in the original  
15 contract. On November 8, 2011, the house was delivered but the crane company that delivered  
16 the house had not been paid. A county inspector came and told C & C that a driveway had to be  
17 installed before the final work on the roof could be done. Jacob provided a bid of \$15,000.00 for  
18 the driveway, which he claimed was not included in the contract. On December 30, 2011,  
19 Respondent provided a bid of approximately \$20,000.00 for the electrical work that already  
20 included a cost of \$3,500.00 for electrical work. C & C found another electrical contractor who  
21 charged \$10,550.00. Respondent demanded 25% fee due to the homeowners' decision to hire a  
22 separate electrical contractor. The roof had not been completed and the unfinished project got  
23 exposed to rain. Respondent and its unregistered salesperson would not finish the roof but kept  
24 on demanding payment for unspecified extras. On February 13, 2012, a county inspector came  
25 and issued a correction notice for the rebar. On February 14, 2012, Respondent received  
26 \$2,637.50, as its fee in the subcontracted electrical work. By February 23, 2012, Respondent was  
27 demanding \$16,733.15 for extras not specified in the contract. Thereafter, Respondent  
28 announced that it was stopping work. On March 14, 2012, C & C filed a complaint with the

1 Board against Respondent for financial injury, repayment, repair, and project completion. A  
2 Board expert estimated C & C's financial injury at \$37,938.55. On July 10, 2012, September 20,  
3 2012, and October 31, 2012, the Board attempted to contact Respondent at its phone number of  
4 record but the account had been disconnected. On September 21, 2012, the Board sent  
5 Respondent at its address of record a letter, which was returned because the post office box had  
6 been closed.

7 **FIFTEENTH CAUSE FOR DISCIPLINE**

8 **(Failure to File Change of Address)**

9 45. Respondent has subjected its contractor's license to disciplinary action under Code

15 does not slope down directly into the home or garage.

16 d. Respondent failed to complete roof installation in its entirety.

24 squared and line-up with the side of the building so that tie straps do not bend.

25 **EIGHTEENTH CAUSE FOR DISCIPLINE**

26 **(Failure to Complete Project for Contract Price)**

27 48. Respondent has subjected its contractor's license to disciplinary action under  
28 Code section 7113 in that it failed in a material respect to complete the C & C Project for the

5 **(Wilful or Fraudulent Act Injuring Another)**

6 49. Respondent has subjected its contractor's license to disciplinary action under  
7 Code section 7116 in that it received payment of \$2,637.50 from C & C as an additional charge  
8 to the homeowner for securing the services of another contractor to perform work at the project  
9 site, which constitute willful and fraudulent acts, as a consequence of which the homeowner was  
10 substantially injured.
