

## IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application you requested from the Contractors State License Board (CSLB).

**Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned for correction.**

**Please complete your application in its entirety to ensure that your application is accepted for processing by CSLB.**

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

**Spending a few extra minutes now may save you weeks or months later!**

Before you submit your application, follow these simple directions.

- **Sign the form.**
- **Fill out all applicable information.**

**Carefully read the General Information and Instructions** that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

**Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB.** If you discover that an organization has misrepresented itself as being CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs. However, official CSLB examination study guides are available free of charge on CSLB’s website.

## IMPORTANT NOTICE REGARDING CONVICTIONS PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, you must be fingerprinted if you have not been fingerprinted by CSLB before or if your previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

Your fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. **If you have ever been convicted of a crime, your criminal record information will be reported to CSLB.** This includes DUIs and other Vehicle Code violations resulting in a conviction. Even if you pled “no contest,” had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as “expunged”), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that you provide mitigating information regarding your criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website on the Forms and Applications page. CSLB’s Criminal Background Unit will contact you if it is requesting this additional information. If so, you can complete the disclosure and send an email scan of it to [CBU@cslb.ca.gov](mailto:CBU@cslb.ca.gov) or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and you may choose not to disclose any information. Your choice not to disclose information shall not be a factor in a board’s decision to grant or deny your application for licensure. (See Bus. & Prof. Code, § 480(f)(2).

Applicants with criminal convictions are not automatically denied licensure – each application is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant; Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.

## **APPLICATION FOR ASBESTOS CERTIFICATION General Information and Instructions**

Listed below is general information to assist you as you complete the attached application. Detailed instructions are provided on the application. For more information about the Contractors State License Board's (CSLB) asbestos certification, please refer to Business and Professions Code (BPC) sections 7058.5 and 7058.6 (see below for excerpts).

**Please be aware that the asbestos certification functions as an overlay to the other classification(s) held by the licensed contractor and requires registration with the Division of Occupational Safety and Health (DOSH) of the Department of Industrial Relations in order to perform asbestos-related work. For example, a licensed contractor who holds the C-39 Roofing classification, the asbestos certification, and DOSH registration can perform asbestos-related work only in areas relating to roofing.**

**The C-22 – Asbestos Abatement classification is a stand-alone classification that, in conjunction with DOSH registration, allows the performance of asbestos-related work in and on buildings and structures, without the need for any other license classification that may be held by the licensee** (see next page for more information on the C-22 classification). Contractors who do not have the asbestos certification or the C-22 Asbestos Abatement classification may still bid on projects that involve asbestos-related work as long as they subcontract the asbestos-related work to a duly licensed contractor who holds DOSH registration and the C-22 Asbestos Abatement classification.

You may wish to contact DOSH prior to applying for the asbestos certification or the C-22 – Asbestos Abatement classification to be sure that you understand their requirements for registration since DOSH registration is required in order to perform asbestos-related work. DOSH's Asbestos Contractors' Registration Unit (ACRU) can be reached at (916) 574-2993 or [ACRU@dir.ca.gov](mailto:ACRU@dir.ca.gov), or you can visit their website at <http://www.dir.ca.gov/dosh/ACRU/ACRUhome.htm>.

**Do not submit this General Information and Instructions section with your completed application** – the actual application begins immediately following this section on Application – Page 1 of 2. Before you submit your application, please review and be sure that you have complied with the following items.

- **Enclose the nonrefundable \$125 application fee with your completed application to add the asbestos certification to an existing license.** CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. (*BPC section 7137*). Examination fees are paid directly to CSLB's approved testing vendor when examinations are scheduled.
- **Your application may be returned to you if it is insufficient or incomplete.** You must provide any missing information, make corrections, and resubmit your completed application to CSLB within **90 days** after the date that it was returned to you or your application will be deemed abandoned and become void. You cannot reinstate an abandoned application – you must submit a new application and \$125 application fee if you wish to reapply.
- **Your license must be in good standing (i.e., renewed active or inactive, but not expired or suspended) before the certification can be added.**
- **Leave no space blank.** If a particular question or request for information does not apply to you, write "N/A" in the blank space to indicate that you have read the question and determined that it is not applicable.
- The "#" symbol is used interchangeably with the word "number" where space is limited on the application.

**Complete the application and all accompanying forms legibly in black or dark blue ink or on CSLB's website using the Easy-fill feature.** Please make sure that you and other authorized individuals sign and date the forms, where applicable.

## **APPLICATION FOR ASBESTOS CERTIFICATION** **General Information and Instructions** *(continued)*

### **BPC SECTIONS 7058.5 AND 7058.6 EXCERPTS**

BPC section 7058.5 states, in part, “(a) No contractor shall engage in asbestos-related work, as defined in Section 6501.8 of the Labor Code, that involves 100 square feet or more of surface area of asbestos containing materials, unless the qualifier for the license passes an asbestos certification examination.

No asbestos certification examination shall be required for contractors involved with the installation, maintenance, and repair of asbestos cement pipe or sheets, vinyl asbestos floor materials, or asbestos bituminous or resinous materials.

‘Asbestos’ as used in this section, has the same meaning as defined in Section 6501.7 of the Labor Code.”

BPC section 7058.6 states, in part, “(a) The board shall not issue an asbestos certification, as required by Section 7058.5, unless the contractor is registered with the Division of Occupational Safety and Health of the Department of Industrial Relations pursuant to Section 6501.5 of the Labor Code. The board may issue an asbestos certification to a contractor who is not registered, provided the contractor in a written statement acknowledges that he or she does not perform asbestos-related work. The board shall notify both the division and the contractor, in writing, of the contractor's passage of the certification examination, for the purpose of allowing the contractor to satisfy the requirement of paragraph (1) of subdivision (a) of Section 6501.5 of the Labor Code. The contractor shall register with the division within 90 days from the date the contractor is notified of the passage of the certification examination. The board may require a reexamination if the contractor fails to register within 90 days following issuance of the notification. Applicable test fees shall be paid for any reexamination required under this section.

(b) Any contractor who is certified to engage in asbestos-related work shall present proof of current registration with the division pursuant to Section 6501.5 of the Labor Code upon application for renewal of their license, if the contractor engages in asbestos-related work, as defined in Section 6501.8 of the Labor Code.

(c) A contractor who is not certified pursuant to this section may bid on and contract to perform a project involving asbestos-related work as long as the asbestos-related work is performed by a contractor who is certified and registered pursuant to this section and Section 6501.5 of the Labor Code.”

### **C-22 Asbestos Abatement Contractor License**

As mentioned above, the C-22 – Asbestos Abatement contractor performs abatement, including containment, encapsulation, or removal, and disposal of asbestos containing construction materials, as defined in Section 6501.8 of the Labor Code, in and on buildings and structures. All work performed and all documentation prepared by an asbestos abatement contractor shall be done in accordance with DOSH regulations and requirements.

The Board shall not issue an asbestos abatement contractor license unless the applicant or contractor is duly registered with DOSH pursuant to Section 6501.5 of the Labor Code or has an active application for registration in process with DOSH. All holders of the C-22 – Asbestos Abatement contractor classification shall have completed DOSH registration training requirements, as contained in Section 1529 of Title 8 of the California Code of Regulations.

This classification does not include any addition to or alteration, repair, or rehabilitation of the permanently retained portions of such buildings and structures. Hazardous substance removal and remediation, as defined in BPC section 7058.7, are specifically not included in this classification.

If you would like to add the C-22 – Asbestos Abatement classification to your license, you must complete and submit the Application for Additional Classification (13A-2). Also, please refer to the License Classifications link on the Applicants page of CSLB's website for full information about the experience requirements and other provisions relating to this classification.

## **APPLICATION FOR ASBESTOS CERTIFICATION** **General Information and Instructions** *(continued)*

### **SECTION 1 – BUSINESS NAME AND ADDRESS**

#### **Business Name and Addresses** (Boxes 1 - 5)

You must provide your **existing business name and addresses as licensed with CSLB**, as well as the existing CSLB license number. You are also asked to provide business phone and business fax numbers and a business email address.

- Your business address of record (mailing address) is made available to the public – it is published on CSLB’s website and is used for all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (PMB) are acceptable for the address of record.
- Your business street address is used only for CSLB’s internal administrative purposes – it is not published on CSLB’s website. P.O. boxes and PMBs are **not** acceptable for the business street address.
- You are also asked to provide business phone and business fax numbers and a business email address. Your business phone number is published on CSLB’s website. If you have an email address at which you are currently receiving email, you must provide it. (BPC 7083.2) The email provided will not be part of your public license record. CSLB emails important license updates and changes to the law that may affect your license. All emails CSLB sends to the email address you provided are presumed to be received.

To change your existing license’s business name, you must complete and submit the Application to Change Contractor Business Name (13L-4). In accordance with BPC section 7059.1, the business name for a contractor license **must not be misleading in relation to the classification(s) issued to that license and must be compatible with the type of business entity licensed**. To change the license’s current address, submit form 13L-30 Application to Change Business or Personnel Address.

### **SECTION 2 – CERTIFICATION APPLICANT (QUALIFIER) FULL LEGAL NAME AND ADDRESS**

The qualifying individual on the license must complete the personnel information requested in Section 2 of the application for the asbestos certification.

- **Line 6 – Full legal names are required.** You must provide the full legal name of the qualifier. If the individual does not have a middle name, write “None” or “No Middle Name” in the space provided. If they have only an initial for their first or middle name, write “(Initial Only)” after the initial.
- Provide qualifier’s date of birth where requested.

**All applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN.**

- **Boxes 7 and 8** – You must **also** provide a residence street address for the qualifier that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are **not** acceptable for the qualifier’s residence street address. Also enter the qualifier’s home phone number, fax number, email address, and driver license number.

### **SECTION 3 – REQUIRED APPLICATION QUESTIONS**

Be sure to include the existing licensee’s business name at the top of Page 2 where requested. **All** questions must be answered, and all requested explanations and documentation must be provided, or the application will be returned for correction. Failure to thoroughly and accurately complete this section of the application can delay the licensure process or result in denial of the application.

#### **Bidding Purposes Only** (Question 9)

Pursuant to BPC section 7058.6, contractors who do not have the asbestos certification may bid on projects that involve asbestos-related work as long as they subcontract the work to a duly licensed contractor who holds the asbestos certification and DOSH registration. Therefore, **it is not necessary to apply for and obtain this certification if the contractor will not be doing the asbestos-related work themselves**. However, if you do not have DOSH registration and wish to obtain the asbestos certification and you will be using it for bidding purposes only, check the “Yes” box in Question 9 acknowledging that you do not perform asbestos-related work.

## **APPLICATION FOR ASBESTOS CERTIFICATION** **General Information and Instructions** *(continued)*

### **Fingerprint Requirement**

**Please be sure to read the Important Notice Regarding Convictions on the front of this application packet. All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check.**

Fingerprints will be compared to the records of the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) to determine whether a criminal history exists. Your asbestos certification cannot be issued until CSLB receives fingerprint results from both DOJ and FBI. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB, unless you have previously fingerprinted for CSLB and the results are still available and active on record with CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it.

After an application has been accepted by CSLB as complete (also known as “posted”), each individual listed on the application who needs to fingerprint will be sent instructions on the process for obtaining and submitting fingerprints. Individuals in California are required to fingerprint by electronic live scan; individuals outside of California can fingerprint either by electronic live scan in California or by submitting hard card fingerprints that are completed in the applicant’s location, as explained in the instructions that are sent after the application has been posted. **Please note that submitting hard card fingerprints can significantly delay the licensure process due to the extra processing needed at DOJ and FBI.** For more information, please visit CSLB’s website and view information on the Applicants page.

### **Military Service** (Questions 13 and 14)

#### **Expedited Processing for Military Personnel**

CSLB will expedite the licensure process for an applicant who is a current active duty member of the Armed Forces or who was not dishonorably discharged after having served as an active-duty member of the United States Armed Forces or the National Guard or Reserves. Please provide the following documentation: Evidence of your current military duty (copy of your military orders) or your previous military service (copy of your latest DD 214 long form – Certificate of Release or Discharge from Active Duty showing discharge status or a copy of a current and valid driver’s license or identification card issued by this state or another state with the word “Veteran” printed on its face) or for National Guard discharge status (copy of your NGB 22 form), or for Reserves discharge status (copy of your DD256 form).

#### **Expedited Processing and Fee Waiver for Military Personnel Spouses or Domestic Partners**

CSLB will expedite the license process and waive the licensure fees for an applicant who:

**AND**

- Holds a current license in another state, district, or territory of the United States in the profession or vocation for which the applicant seeks a license from the board.

If you answer “Yes” to question 14 and you would like to be considered for this expedited processing and waiver of licensure fees, please provide a copy of your current license from the other state, district, or territory of the United States documenting a contractor license, registration, permit, or certificate in the same classification for which you are seeking licensure **AND** documentation of your marriage or legal union **AND** your spouse’s or partner’s active military duty. For example, in addition to the licensure documentation, attach a copy of the marriage certificate or certified declaration/registration of domestic partnership filed with the Secretary of State **AND** military orders establishing a duty station in California. For other forms of “legal union” not recognized by California, you may submit other documentary evidence of legal union issued by the state that recognizes your legal union for consideration by CSLB in meeting this requirement.

**If all of the above-mentioned requirements are met and all the required documentation is submitted with the application, the application fee and the initial license fee will be waived. All other fees will still be required.**

## **APPLICATION FOR ASBESTOS CERTIFICATION** **General Information and Instructions** *(continued)*

### **Translator for Examination (Question 15)**

Check the “Yes” box if you have difficulty understanding or reading the English language and you would like to use a translator to read the examination to you. Complete question #15 by listing in what language your translator will read the exam. The translator you choose must be approved in advance by CSLB. If you check the “Yes” box, information will be sent to you regarding the translator process. Some of CSLB’s examinations have been translated into Spanish. If the applicant selects “Spanish” as their preferred language and there is an examination available in that language, they will be scheduled for that examination.

### **Immigration Status Expedites (Question 16)**

CSLB will expedite the licensure process for an applicant who immigrated to the United States of America in certain circumstances. Please check the “yes” box to question 16 on this application if:

If you selected YES, you must attach evidence of your status as a refugee, asylee, or special immigrant visa holder. Failure to do so may result in application review delays. Acceptable evidence includes:

- Form I-94, Arrival/Departure Record, with an admission class code such as “RE” (Refugee) or “AY” (Asylee) or other information designating the person a refugee or asylee.
- Special immigrant visa that includes “SI” or “SQ.”
- Permanent Resident Card (Form I-551), commonly known as a “Green Card,” with a category designation indicating that the person was admitted as a refugee or asylee.
- An order from a court of competent jurisdiction or other documentary evidence that provides reasonable assurance that the applicant qualifies for expedited licensure.

## **SECTION 4 – REQUIRED SIGNATURES**

You **must** print and sign your name and indicate the date below the certification statement at the bottom of Page 2 of the application. Failure to sign your application will result in the application being returned to you for correction. **Two signatures are required on the application when the qualifier for the certification is a responsible managing employee.**

## **MISCELLANEOUS INFORMATION**

### **Examinations**

The examinations are administered by an approved testing vendor and fees for the exams are paid directly to the vendor by the applicant. Information about scheduling exams will be mailed once the application is posted. Official CSLB examination study guides are available free of charge on CSLB’s website under the Applicants tab. These study guides are also available in Spanish.

### **Reasonable Accommodation – The Americans with Disabilities Act**

In compliance with the Americans with Disabilities Act (ADA), CSLB provides reasonable accommodation for applicants with disabilities that may affect their ability to take the required examinations. Applicants wishing to request reasonable accommodation pursuant to the ADA must complete the Special Accommodation Request for Examination form (available on the Forms and Applications page on CSLB’s website) and submit it to CSLB with the appropriate supporting documentation. In order to make the necessary arrangements to accommodate candidate needs, the form and supporting documentation should be submitted as soon as possible.
