CSLB to Expand Testing Services for Licensed Contractor Examinations

The Contractors State License Board (CSLB) will transfer the administration of its license examinations to PSI Exams Inc beginning July 1, 2022. CSLB will continue to develop the license examinations internally.

Moving test administration to PSI will benefit examinees by expanding the number of exam locations throughout the state, increasing testing availability to include Saturday and evening hours, increasing customer service hours, and expanding translation services.

Notifications for scheduling exams will be mailed to applicants with instructions on how to schedule at one of the 20 PSI locations through PSI's website or by phone.

This change will not increase applicant examination fees.
